

The Eagle - Family Newsletter – April 2015

Our School Improvement Council, comprised of faculty, parent representatives and the administration of **Abner Gibbs Elementary School** are proud to present our school's Vision, daily Mission, and Core Values!!!

Vision

It is the vision of Abner Gibbs Elementary School that all students possess a passion for learning and acquire skills enabling them to grow academically, emotionally, and socially in order to adapt to an ever changing 21st century global society.

Mission

"Trust, rigor and joy!"

Every day we strive to create a school climate where all members of our school community trust each other, work to our full potential, and enjoy our journey together!!

Core Values

At Abner Gibbs we "SOAR" to success!

S - Self Respect

O - Respect Others

A - Academic Achievement

R - Responsibility

Please discuss our Vision, Mission, and Core Values with your child to help support what our school community works toward daily!! If you have any questions regarding our Vision, Mission, or Core Values please contact Mr. Rogers at 572-6418. Thank you for being our partners in your child's education.
